## CEED mail POP account?

If you have a CEED mailbox you can access it via <http://mail.ceedstudio.com> or you can use your mail application on your computer to retrieve and send your mail. The settings are as follows:

SMTP : mail.ceedstudio.com

POP3: mail.ceedstudio.com

Login: yourname+ceedstudio.com

Password: *the password given to you*

## How do I access CEED Mail ?

We will give those who request a mailbox which can be accessed via <http://mail.ceedstudio.com>.

## What work do we do ?

We are a agency of designers who work on conceptual design ideas. We always try to realize our projects and develop them as far as possible.
